ABOUT MTG CONNECT

MTG Connect, a DBA of MedTrans Go, Inc. (MTG), is a woman and minority owned small business supporting agencies, healthcare organizations, and commercial clients. As a healthtech company, we specialize in using technologies to solve barriers between organizations and their constituents.

Our proprietary software platform helps healthcare practitioners optimize care to their patients by enabling immediate access to transportation, interpretation, delivery, and post-procedural care. This adaptive platform can be customized to solve similar agency challenges.

Whether it's people, hardware, or software, we make technology work for you to ensure the success of your mission-driven goals.
